

# Igepa MasterTape Premium P

## Highlights

- Abrasion and water-resistant surface finishing
- Suitable for almost all types of vinyl
- Semi-transparent mounting paper
- Excellent flatness
- Stabilized natural rubber adhesive
- Increased adhesive strength

	Technical specification
Material	Mounting paper with increased adhesive setting, semi-transparent with abrasion and water-resistant surface finishing.
Colour	Semi-transparent
Grammage	100 g/m <sup>2</sup>
Thickness	110 µm
Stretch	74 N/100 mm
Covering material	Not covered
Adhesive	Stabilized natural rubber adhesive, increased adhesive strength setting
Adhesive strength (FINAT TM 1, after 24 h, stainless steel))	4,5 N/25 mm (In original packaging, at 20° C and 50 % humidity)
Processing temperature	Minimum + 10° C
Shelf life	1 year (In original packaging, at 20° C and 50 % humidity)
Aplication	For transferring both small or large graphics and text. This premium tape with high dimensional stability and excellent flatness is suitable for wet and dry bonding. The special surface finishing counteracts tunneling and creasing, it also prevents the edges from curling. It can be used with almost all types of vinyls.
Note on durability	The surface to be adhered to must be free from dust and grease and in the case of repainting, it must be dried or fully cured for at least three weeks. Compatibility tests with the intended paints must be carried out to determine suitability. Due to the variety of potential influences during processing and use, we recommend testing our products in separate trials for specific application.
Dimensions	100,0 cm x 100 m (PAI-MPR100) 122,0 cm x 100 m (PAI-MPR122) 152,0 cm x 100 m (PAI-MPR152)
